

# HADLEY KEMPER

Major: Management and Marketing

Minor: Business Analytics and Sports Management

- Hoping to obtain a job within sports management
- When using software, I aim more towards Canva or PowerPoint for presentation type assignments. For writing assignments, I always use Google Docs
- I am from the Bay Area, in a little town called Brentwood
- I came to Reno for the location and school spirit
- I am in the sorority Delta Gamma and currently live in the sorority house. I absolutely love the environment and have grown so much in my leadership skills and confidence
- Over the summer, I worked full time at a local farm in my hometown and gained hands on experience in customer service and environmental engineering
